

This event is organised by the Wessex Area of the Triumph Sports Six Club in conjunction with the Southern Area of the TR Drivers Club and is open to all Standard Triumph Cars. Other Classic Cars may be accepted if space permits (subject to organisers discretion).

The organisers may be contacted via the website [www.triumphnewforestrun.co.uk](http://www.triumphnewforestrun.co.uk), our facebook page, or c/o Trevor Carlyle, 14 Woolsbridge Road, St Leonards, Ringwood, Hants, BH24 2LP. Tel No 01425 475376 / 07833677916.

The event takes the form of a leisurely road run with the cars assembling at Ringwood Long Stay Lorry Park, Ringwood for a 10.00am to 10.30am start. Cars will be sent off in small groups on a predefined route through the New Forest and Wessex countryside of about 70 miles in length without a halfway halt. We cannot guarantee that Service Station along the route will be available or open on the day, hence please ensure that you have sufficient fuel in your tank for the Run.

The route will eventually finish at Bovington Tank Museum at approximately 1.00pm to 1.30pm where the cars will then be on display to the public.

As always the number of entries is limited and hence we have to accept entries on a first come first served basis.

Each entrant will be issued a Rally Plaque together with full route instructions in the form of a road book detailing approximate mileages of junctions illustrated via tulip diagrams and instructions with periodic references to an accompanying map.

In addition, key junctions will be signed with direction arrows. The more difficult junctions will be marshalled.

Both the route and the event have full permissions of the Police, Local Authorities and Landowners where appropriate.

The event is an approved Triumph Sports Six Club event through which the appropriate Public Liability Insurance is arranged.

The success of the event is dependant upon the continued goodwill of all parties involved including Landowners, Authorities and the residents along the route. In order to ensure this goodwill is maintained, and to conform to the requirements of our own insurance, the organisers request all entrants to comply with the following conditions:

- Entries can only be accepted upon receipt of a duly completed and signed entry form accompanied by the appropriate fee.
- In order to guarantee entry all completed entry forms must be received by the closing date of 22<sup>nd</sup> April 2019, or if earlier if over-subscribed. Entries received after this date will only be accepted at the discretion of the organisers.
- There are no time limits applicable to the run. All vehicles must conform to the appropriate speed limits and follow the normal rules of the highway. Entrants will also be expected to show due deference to other road users throughout the run.
- All entrant's vehicles must be insured against all third party risks, fully licenced and fit for road use. By certifying your entry, you will confirm that that these criteria are met.
- The organisers accept no responsibility for any of the entrant's property or personal effects, or any personal and public injury during or after the event.
- All vehicles entered must be in a roadworthy condition. Substitute entries will only be allowed by prior arrangement with the organisers and on receipt of a duly completed substitute entry form.
- All unattended vehicles at both the start and end of the run must be left securely braked and engines switched off.
- Drivers must pay full regard to Marshall's instructions and conduct themselves in a manner which will not inconvenience other road users or other persons at any time.

As already stated, Dog's will not be permitted on any of the Bovington Tank Museum's Premises or grounds.
